Dear Parents

As part of our ongoing efforts to maintain a positive and respectful atmosphere at our school, I would like to make you aware of a matter of concern regarding language used during school drop-off times. It has been brought to our attention that some inappropriate language is being used in the presence of pupils during drop off and pick up at the start and end of the school day.

Our primary goal is to ensure a safe and respectful environment for all members of our school community. Children are highly impressionable and often mirror the behaviour they see, so it is important that we, as adults, model the standards we expect from them. We kindly ask that all parents and guardians be mindful of their language while on school grounds, as we work together to foster a positive, respectful, and supportive atmosphere for all.

We appreciate your cooperation in this matter, and thank you for your continued support in helping us maintain a welcoming environment for all families.

Should you have any questions or concerns, please feel free to contact the school office.

Yours sincerely

Hayley McGoldrick
